

Jesus loves us greatly and he wants us to live as one big family. This year we will learn about **Communion**, **Participation** and **Mission**. These help us to be good children, friends with Jesus and with others.

COMMUNION

means that we are the people of God and we are to live together as brothers and sisters. When we love and respect one another, we build a beautiful community.

PARTICIPATION

means that we are part of one big family which is the Church. Every one of us has a special place in this family

MISSION

means that in my words and actions, people see Jesus' love. Jesus invites me to do good and to help others.
